

Caltrans District 9 Bicycle Guide

SR 14

Description:

SR 14 becomes a conventional 2-lane highway just north of Mojave and a 4-lane divided highway through the California City intersection to north of Red Rock Canyon. SR 14 continues as a 2-lane conventional facility just past SR 178 (to Ridgecrest) and from there becomes a 4-lane divided expressway to its junction at US 395. The route features moderate grades with one particular sustained grade through Red Rock Canyon. Scenery is generally desert with some spectacular canyon views. SR 14 is shared roadway, except PM R0.00 to R3.18 where bicyclists are prohibited (between Exit 52/Avenue A and Exit 64/Silver Queen Road). Sierra Highway serves as alternate route.
