

Transportation Planning Fact Sheet

State Route (SR) 218 in Monterey County

Purpose of this Transportation Fact Sheet:

Transportation Planning Fact Sheets provide one comprehensive summary document that captures physical, social, political, and development characteristics along State Routes and provides web links to various planning resources and documents. Fact sheets are to be used as supplemental planning documents to existing Transportation Concept Reports (TCRs) and to future Corridor System Management Plans (CSMPs).

Route Description:

SR 218 is approximately 2 miles in length. According to the 1990 *Route Concept Report: Route 198 in Monterey County*, the route is divided into only one segment. SR 218 originates at the junction at SR 1 and extends southwesterly, through the city of Del Rey Oaks before terminating at the junction with SR 68. Please reference map below.

- Traffic: local and commuter route
- Access Control: 2 to 4 lane conventional highway
- Functional Classification: minor arterial
- Terrain: the terrain alternates between flat and rolling

Traffic Volumes:

- 2015 ADT: 14,800
- 2030 ADT: 16,900

Truck Volumes:

- Peak Hour: 5%
- ADT: 8.0%

Future Concept:

According to the *Route Concept Report: Route 218 in Monterey County, SR 218*, the future concept for SR 281 in Monterey County is provided by Level of Service (LOS):

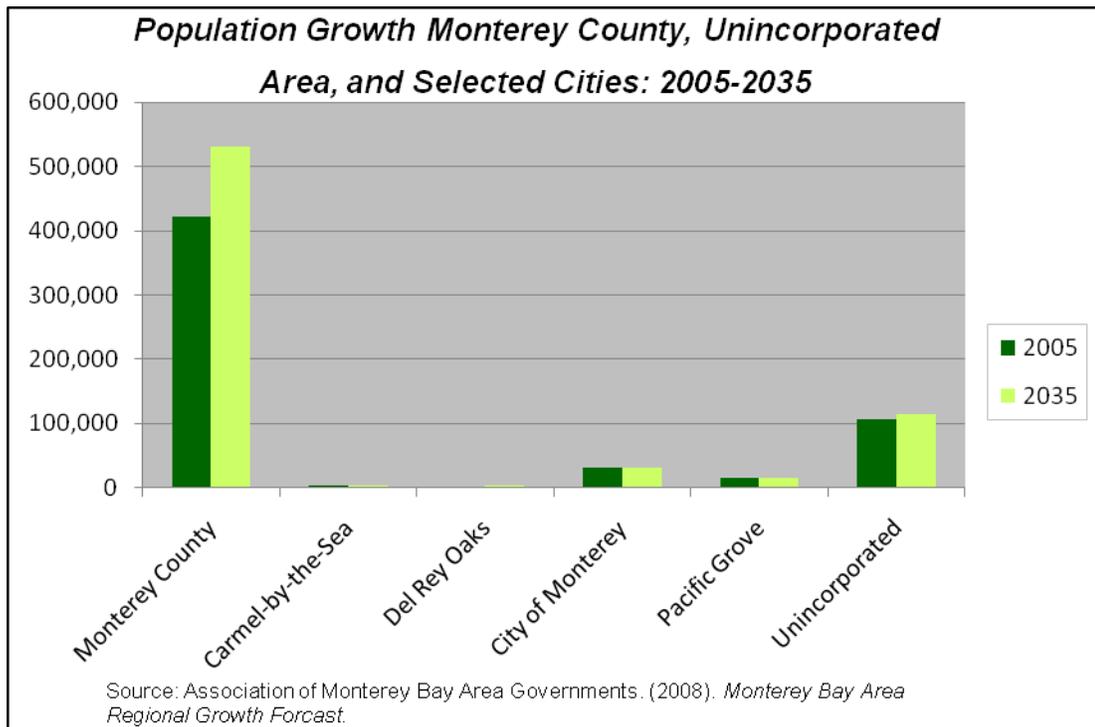

Segment	Begin Postmile	End Postmile	Route Concept	Proposed Improvement
Segment 1 (Mon)	0.0	2.0	LOS D	4 Lane Conventional Highway with Channelization where needed

Route Designation:

- Truck Restrictions: Entire length in Monterey County

County Profile:

- Located on the Central Coast of California, [Monterey County](#) consists of 12 incorporated cities, 4 of which extends through or near SR 68: [Pacific Grove](#), [Carmel-By-the-Sea](#), [Monterey](#), [Del Rey Oaks](#), and [Salinas](#).
- The Association of Monterey Bay Area Governments' Monterey Bay Area Regional Growth Forecast projects the population of Monterey County will grow to 530,362 from 422, 632.

- 51% of Monterey County Residents over 5 years of age speak a language other than English at home.
- Government services and farming dominate the economy of Monterey County, employing approximately 49% of the workforce in 2007. Strawberries are the principal crops for agriculture

and many of the public sector jobs are associated with California State University, Monterey Bay, and the state correctional facility in Soledad. Recreation and leisure, and professional services, while making up a small percentage of the total economy, experienced strong absolute growth in 2007.

Bicycle Access:

- According to the Caltrans-District 5 [Bicycle Map: For State Highways of the Central Coast](#) (2004) all of the State Highways are open to bicyclist except at a few sections of freeways.
- The entire length of SR 218 in Monterey is open to bicycles.

Public Transportation:

- [Monterey-Salinas Transit](#) provides urban transit service within and among the urban communities on the Greater Monterey Peninsula. MST also provides inter-city service for travel from the Peninsula east to Salinas and to Watsonville in Santa Cruz County.
- [Caltrain](#) will extend commuter rail service to Monterey County beginning in 2011, adding stops in the cities of Pajaro, Castroville, and Salinas.
- The [Monterey Peninsula Fixed Guideway Service](#) will provide inner-city rail service along the Monterey Peninsula and in the Salinas area beginning 2014. The system will connect to the proposed Caltrain extension in Salinas.

Intercity Rail Service:

[Amtrak](#) provides rail and bus service in Monterey County. For rail service, the [Coast Starlight](#) runs from Seattle to Los Angeles with three stations in Monterey: Salinas, Gilroy, and King City. Additionally, the Coast Starlight is contiguous with the [Pacific Surfliner](#) between San Luis Obispo and Los Angeles, providing the region access to that rail line, which runs from San Luis Obispo to San Diego. Finally, 7 Thruway Bus Stations are located in Monterey County: 1 in Carmel-by-the-Sea, 5 in Monterey, and 1 in Salinas. These stations connect the region to the Amtrak's nation rail network.

Airport:

Six airports are located throughout the Monterey County: The [Monterey Peninsula Airport](#), Clark Ranch, [San Ardo Field](#), [Salinas Municipal Airport](#), [Marina Municipal Airport](#), [Mea Del Rey Municipal Airport](#). Of these six, the Monterey Peninsula Airport provides the most extensive public regional airport services.

Transportation Agencies:

- [Association of Monterey Bay Area Governments](#) - MPO
- [Transportation Agency for Monterey County](#) - RTPA
